2017 Switzerland County Job Fair Set for October 3rd

The Switzerland County Technology and Education Center will host a 2017 Job Fair on October 3, 2017 from 1:00 pm to 4:00 pm. Coordinated by WorkOne Southeast and in partnership with the Southeast Indiana Workforce Investment Board, and River Valley Resources, the job fair seeks to match residents looking for employment opportunities with employers who have positions to fill.

During last year's Job Fair, 39 regional employers participated, and approximately 80 residents attended. Employers who were present represented available job openings in six Indiana counties and four Kentucky counties.

Residents seeking work are reminded to dress professionally, bring a current resume and be prepared to fill out applications for all levels of employment. For residents needing help with a resume or interviewing advice, contact the TEC Center at 812.427.4475 for assistance.
